Global Venue Search

“Everyone can rise above their circumstances
and achieve success if they are dedicated to
and passionate about what they do”

Nelson Roliblabla Mandela

Welcome

At Verity Venue we understand that your choice of venue, whether historic or contemporary, can help create a truly memorable impression. Making that correct choice takes time; to get it right takes expertise... we can help you find that perfect synergy.

As award winning bespoke venue bookers we personally guarantee to find you the best venue to match your exact requirements at the very best price. Venues are our passion – we take time to visit the locations and develop long-term working relationships with both you and the venue. We won't book you a venue that we wouldn't book for ourselves.

Our hotel and conference accommodation booking system enables you to have your OWN company branded website so your delegates can book online, eliminating the burden of single and group conference hotel bookings. We are pleased to offer this system free of charge to you.

Our complimentary service also includes negotiating and agreeing contracts - plus we also manage your feedback to the venue.

We constantly introduce innovative ideas when sourcing venues and are excited to welcome several cruise liners into our portfolio. If you are looking for a unique transient venue to host your three to seven day event on a ship this is a cost effective alternative.

We would like to offer you a free UK or global venue search for your next event. Whatever the occasion we would love to help.

We would value your custom and welcome the opportunity to work with you.

Best wishes
